

Staplehurst Residents Newsletter was created by the Board of Trustees to help keep the residents "in the know". We will let you know of upcoming events, Village projects, as well as ordinance reminders.

What's new

- Starting to see equipment show up for the 3rd street project. This will start in phases to allow for voting and to make sure the fire and rescue can get out in case of emergencies. They anticipate a finish date the end of December. This is exciting and very much needed, so thank you for your patience.
- Get out and VOTE on November 3rd. Voting hours at the Community Hall will be from 8AM-8PM. No ID is required and no masks are required, however there will be masks provided if needed. For your protection, tables will be 6' apart and will be sanitized as much as possible.
- The village received a list of areas west of the river to test for water, we will begin reaching out to the property owners over the next few weeks.
- For the month of September the Seward County Sheriffs Department patrolled every day for 30 days with approximately 42 hours total.
- Like and follow the *Village of Staplehurst News* Facebook page!
- Have a happy and safe Thanksgiving!
