## Newsletter

Issue 6  
October, 2020

Staplehurst Residents Newsletter was created by the Board of Trustees to help keep the residents "in the know". We will let you know of upcoming events, Village projects, as well as ordinance reminders.

### What's new

- The Fire Dept. was able to sell the old school building, proceeds will go towards the future home located by the community hall.
- Water still remains a top priority for the Village. We will be working with JEO to look for possible test drilling west of the river.
- A representative of SENDD discussed options available to us from a grant perspective. She will work with JEO to help us determine our next steps as a Village when it comes to our water/sewer needs.
- Our Redeemer will be resubmitting their CCCFF Grant Application to help with the building of the new gym.
- A reminder that letters will continue to go out in regards to ordinance requirements.
- Be sure to vote for your Village Board Members in November
