

Staplehurst Residents

Newsletter

Issue 8
December, 2020

Staplehurst Residents Newsletter was created by the Board of Trustees to help keep the residents "in the know". We will let you know of upcoming events, Village projects, as well as ordinance reminders.

What's new

- It has been decided that the village recycling will no longer be available. This decision was made based on the out of county vehicles using it for trash and the amount of cost to maintain. We ask that you contact your local refuse company and ask them about their recycling options. We apologize for any inconvenience this may cause our community.
- Seward County Chamber shared the Staplehurst Housing Study with the board. If you are interested in the results you can find them on the Seward County Chambers website.
- We continue to work on the water issue and will keep the village up to date on any changes.
- Sheriffs Department patrolled the village approximately 43.25 hours in October.

Ordinance Reminder

Important Information

Over the past several years the Village of Staplehurst has seen many properties become bogged down with run down vehicles, trash, weeds, etc.

As a reminder, the village is working with the Seward County Sheriffs Dept. to help enforce our current ordinances.

In the upcoming months those in the community that are not following village ordinances may start to receive tickets.

To help you prepare for the enforcement you will find a list of ordinances and their fines.

It is everyone's responsibility to help keep the Village of Staplehurst a beautiful place to live, work and go to school.

Thank you
