

Staplehurst Residents

Newsletter

Issue 5
September, 2020

Staplehurst Residents Newsletter was created by the Board of Trustees to help keep the residents "in the know". We will let you know of upcoming events, Village projects, as well as ordinance reminders.

What's new

- The board is working with Southeast Nebraska Development District (SEND) to look at grant options that will help with our water/sewer and street needs. A representative will be attending the September board meeting.
- A 195 ft. Viaero Tower will be erected the first part of 2021 located on the Daehling ground. (Parcel ID: 800029003)
- There has been a vandal(s) in town that feels the need to disrespect our personal property, please know that the Sheriffs Office has been contacted. We ask that our community keeps their eyes open for suspicious activity and report it. If you have cameras, let's catch them in the act!
- Next board meeting will be held Sept. 29th at 7 p.m.

The movie will start shortly after 9:00 pm so it is dark enough to see it, all are welcome and there is no charge. Bring your own snacks if you like, otherwise some snacks will be provided as well. Also feel free to bring lawn chairs if you would like to sit outside otherwise you can stay in your vehicle as well. The audio will be streamed through your radio as well as speakers outside.
- **Worship Services:** We are back in the sanctuary on Sunday mornings at 9:00 am. Come on out to 3743 Marysville Rd and join us. - **Start of School:** The school year is off to a great start, and we couldn't be more pleased with the way things are going. The students and staff have been outstanding as they adjust to new things, what seems like daily. And the families continue to amaze us with their support. It truly is a team effort as we work through all this together. Thank you all again for your prayers and support as we continue to work alongside one another with our eyes on Jesus the whole time.
- **Ministry Center:** Dirt work for the new Ministry Center will be getting started very soon. We are super excited to started to see this project take shape.
